Respondent.	§	

## ORDER ADOPTING REPORT AND RECOMMENDATION OF THE UNITED STATES MAGISTRATE JUDGE

Petitioner Patrick Ealy, a Texas Department of Criminal Justice inmate, proceeding pro se, filed this federal petition for a writ of habeas corpus pursuant to 28 U.S.C. § 2254. The petition was referred to United States Magistrate Judge, the Honorable John D. Love, for findings of fact, conclusions of law, and recommendations for disposition.

On January 7, 2021, Judge Love issued a Report and Recommendation recommending that the Court deny the petition without prejudice for want of prosecution and failure to obey a Court order. Judge Love also recommended that a certificate of appealability be denied. Docket No. 10. While Petitioner filed a letter, received January 22, 2021, he has not filed substantive objections. Docket No. 11. Further, Petitioner has failed to comply with the deficiency orders entered on September 15, 2020 (Docket No. 2) and November 3, 2020 (Docket No. 8).

This Court reviews the findings and conclusions of the Magistrate Judge de novo only if a party objects within fourteen days of service of the Report and Recommendation. 28 U.S.C. § 636(b)(1). In conducting a de novo review, the Court

examines the entire record and makes an independent assessment under the law.

Douglass v. United Servs. Auto. Ass'n, 79 F.3d 1415, 1430 (5th Cir. 1996) (en banc),

superseded on other grounds by statute, 28 U.S.C. § 636(b)(1) (extending the time to

file objections from ten to fourteen days). Here, Petitioner did not object in the

prescribed period. The Court therefore reviews the Magistrate Judge's findings for

clear error or abuse of discretion and reviews the legal conclusions to determine

whether they are contrary to law. See United States v. Wilson, 864 F.2d 1219, 1221

(5th Cir. 1989), cert. denied, 492 U.S. 918 (1989) (holding that, if no objections to a

Magistrate Judge's Report are filed, the standard of review is "clearly erroneous,

abuse of discretion and contrary to law").

Having reviewed the Magistrate Judge's Report and the record in this case,

the Court finds no clear error or abuse of discretion and no conclusions contrary to

law. Accordingly, the Court hereby **ADOPTS** the Report and Recommendation of the

United States Magistrate Judge (Docket No. 10) as the findings of this Court. This

petition for habeas corpus is hereby DENIED and this action is DISMISSED

**WITHOUT PREJUDICE** for want of prosecution and failure to obey a Court order.

The Court **DENIES** a certificate of appealability.

So ORDERED and SIGNED this 10th day of February, 2021.

E**K**EMY**/**D. KERNÓDLE

UNITED STATES DISTRICT JUDGE
